Minimum Requirement for the MINE	X	X		X		X	X				X	X																																		
Minimum Requirement for the MILL	X	X		X	OPT			X		X	X	X																																		
Minimum PPE for the ADMIN OFFICES									X																																					
Minimum PPE for Headframe #1 & #2	X	X		X		X	X			X	X	X																																		
GENERAL TASKS																																														
Angle Grinding		X											X														X	OPT																	
Bench Grinding		X											X														X																		
Welding																										X		X		X															
Air Arcing										X														X		X		X		X															
Oxy-Acetylene Welding/Cutting																										X			X	X															
Slag Chipping		X											X														X	OPT																	
Metal on Metal Contact		X											X														X																		
Using Air Lance(Wand) For Blow Down		X	OPT							X			X										X				X																		
Working From Heights											X																													X	X	X	X		
Handling Wood													X																																
Handling Steel													X																																
Using a Knife														X																															
Using Explosive Activated Tools (With Spall Guard)		X								X			X																																
Using Explosive Activated Tools (Without Spall Guard)										X			X														X																		
Operating Mobile Equipment																																													X
Operating a Motor Vehicle																																													X
Operating AWP (aerial work platform)											X		OPT																											X		X	X		
Operating a Drill Press													X														X																		
Operating Stationary Saws (table, radial etc.)			X							X	X		OPT														OPT																		
Operating Portable Saws (skill & reciprocating)			X								X		OPT														OPT																		
Acid Battery Handling / Maintenance																											X						X		X										
Tire Filling		X																									X																		
Working Outdoors											X		X																																
Winter Work Outdoors																			X	X	X																								
MINE SPECIFIC TASKS																																														
Scaling Loose		X											X																																
Handling Hardware													X																																
Miner Cable Handling													X																									X							
High Pressure Washing		X	OPT										X														X																		
Nailing Brattice													X																																
Operating Stopers and Leg Drills			X							X			X										X																						
Reclaiming Brattice		X											X																																
MILL SPECIFIC TASKS																																														
Crane Signal Man																																X														
Heat Exchanger Tube Cleaning		X	OPT		X										X												X				X														
Opening Steam Valves																X											X				X														
Un-Maintained Winter Walkway																					X																								
Handling / Unloading Liquid Reagents																								X									X	X	X										
Handling / Unloading Dry Reagents																							X										X		X										
Handling / Unloading Acid																								X									X		X	X									
Abrasive Blasting													X													X																			
Operating a Chain Saw		X								X			X														X																	X	
Line Breaking		X	OPT													X											X																		
Mixing Concrete, Refractory or Mortar			X							X			X										X	X																					
Jack Hammering Concrete		X								X								X					X	X			X																		
Working on Top of Railcars											X																													X			X		
Using Plant Water (Washing)			X													X																													
Operating TMA Hydraulic Valves		X	OPT										X														X
