

Craig, CO 2024 Day 1

### Written Problem

Explore the entire area to account for the 3 missing miners, if it can be done safely and bring any live miners to the FAB.

Your Team can only carry or possess 2 Brattice Cloth/Stopping material at any time.

Your Team has 80 minutes to complete this work. Your team will be given a 5 minute warning and at the 80 minute mark, the Mine Superintendent will stop your team clock, collect all maps and not allow ANY other work to be done.
