Members of the River View Coal mine rescue team are recognized for their first place performance in the state of Kentucky. Pictured are (l-r) Mark Turner of the Division of Mine Safety, Rescue Coordinator Josh Gibson, Eric Cruce, Ron Anderson, Heath Tucker, Clay Dunbar, Billy Logsdon, Jason Dunk, Jason Cox, Jeff Bradford, and Director of Division of Mine Safety Tim Fugate.

River View coal mine rescue team recognized for top performances

River View Coal's mine rescue team was recently honored for its performance in competition against other teams in Kentucky. The group won first place in Combi-

nation First Aid and Mine Rescue, and first place for Bench by Clay Dunbar. They also win second place in the National Mine Rescue contest.

Chris Williams (left) was inducted into the Holmes Mine Rescue Association Hall of Fame for 2024. He is pictured with Kenny Murray from the HMRA executive committee on coal.
